NEWSLETTER

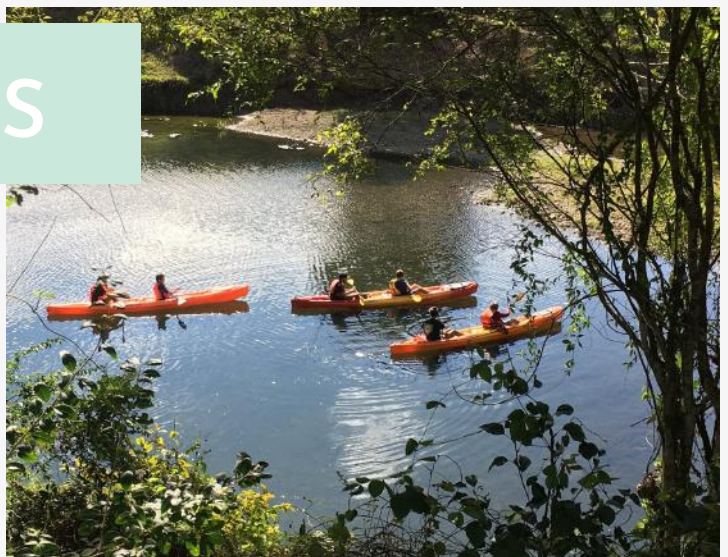

ACHIEVEMENTS

We are very proud of our participants and their determination when setting themselves goals both big and small. We want to say a big thank you to all of our participants for allowing Champion Mentors to be a part of your journey. We love watching you grow and proving to us that you can achieve anything you set your mind to!

CAMPING TRIPS

A camping trip with Champion Mentors is the definition of fun. All of our Mentors involved in the camps, are experienced campers with a diverse range of skills. Our planning, preparations and diverse range of activities to suit all participants ensure our camping experiences are safe, exciting, enjoyable and engaging. We are very pleased with the positive feedback and excited to see our camps explode in popularity as they offer a unique opportunity for our participants.

COVID-19 UPDATE

Champion Mentors is committed to stopping the spread of covid-19. All staff are trained in the Governments 'infection prevention and control' training and continue to maintain the highest standards of hygiene throughout their workdays. We have support workers in both NSW and QLD and health and safety is always our priority.

OUR TEAM

Champion Mentors is continuing to grow allowing us to provide more participants with the support they need and love. We are excited to announce we have 18 new staff members that have joined our team since May which allows us to accommodate our participants unique needs, interests and more importantly give more people access to our support. Our aim is to match all participants to a Mentor of a similar age, gender and similar interest. We also aim to hire people who love the outdoors and are always up to experience something new!

SURFING

Champion Mentors is pleased to now be offering surfing as part of our program. We now have two experienced surf coaches on our team that are delivering surf lessons with a 1:1 ratio to all participants. No prior experience is necessary so let us know if you are keen to give surfing a go!

SPECIAL INTERESTS

We love facilitating special interests and actively encourage all participants to engage in activities they love! This month we helped Mark pursue his love of horses and got him on horseback for the first time in 30 years! We also took another participant on his first holiday in 4 years to Noosa.

If you have any interests that are not on our service list, just give us a call. We will always do our very best to make it happen.
